

# About us

When we purchased the deli in August 2017, our goal was to keep MoE's Eagles Nest Deli the same great favorite local spot to eat, hang out, enjoy the Cloverdale Experience with friends & family... and more.

This spot has a long history of shenanigans and local memories as Curly's Bar and Hungry Hutch. The original owners of the Eagles Nest Deli named it after the mascot at Cloverdale High School.

Seven generations of our families were born and raised in Sonoma County. As residents for 16 years, we fell in love with this town where we raised two kids. We hope you enjoy the atmosphere, friendly vibe, the Americana food experience, our hot and cold sandwiches, salads, homemade soups, sweet & savory sides, hot grilled items, & burgers.
